

Response to Amendment

1. The reply filed on 6-17-09 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Continuation of 4(e) Other: Claim 1 still improperly show amendments, e.g. on line 4 the word “wherein” has been deleted but such deletion was not properly shown and thereby the status identifier of such claim is now improperly set forth as “(Previously Presented)”. The location of the amendments to pages 2 and 3 are still inconsistent/incorrect, e.g. “after page 2, line 17” and between the first full paragraph and the paragraph starting “U.S.” are not the same location. This also applies to after page 3, “after line 28” and the location between the second and third full paragraphs. Furthermore, the claims section and remarks section are longer separate, see page 7 of the response. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply **the omission or correction, i.e. a fully compliant amendment, in order to avoid abandonment.** EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karin M. Reichle whose telephone number is (571) 272-4936. The examiner can normally be reached on Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner’s supervisor, Tanya Zalukaeva can be reached on (571) 272-1115. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 3761

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
